VOLUNTEER SPOTLIGHT

Ryan Hern

PROFESSION

*Sr. Partner & Project Manager -
Development Engineering (London)
Limited*

EXPERIENCED GAINED

*Volunteering with ACEC-Ontario
has offered me the opportunity to
meet local officials outside of regular
business engagements, with an open
forum for issue discussions toward
continuous improvement.*

WORK WITH ACEC-ONTARIO

*I've began volunteer work with ACEC-
Ontario in 2017.*

*Currently, I sit on the London Chapter
of ACEC-Ontario as the Vice Chair.*

ADVICE

*Be engaged as a leader with integrity
for the benefit of your industry. From a
public service perspective, such
opportunities are unique, and can
improve conditions for others.*

WHY VOLUNTEER?

*The London Chapter of ACEC-
Ontario offers a great opportunity to
contribute to improvements within
our industry in a collaborative setting
with other firms and Municipal
officials.*

RELAX - WHAT'S YOUR FAVOURITE TRAVEL DESTINATION?

*Caribbean - love the variety for
exploring unique environments with
my wife, Courtney.*

ON THE PERSONAL SIDE

*I enjoy music, reading, supportive
father stuff (watching kids football,
dance comps, basketball, track),
swimming, and family cottage time.
Unfortunately, age and injuries
have ended soccer for me.*
