Halton Region Integrated Master Plan

- Halton Region has initiated the **Integrated Master Plan (IMP)** to complete the next region-wide Water, Wastewater and Multi-Modal Transportation Master Plans.
- The IMP will provide the strategies, policies and tools required to meet the water, wastewater and transportation infrastructure needs of the community now and in the future.
- Additional information on the opportunities and considerations, including our first Public Information Centre, is available on the Integrated Master Plan (IMP) webpage on [halton.ca](https://www.halton.ca)
- **The proposed strategies to meet future needs will be presented in Fall 2024.**
