Dear Mr. Hurd:

I appreciate your kind letter of congratulations on my appointment as Minister of Public and Business Service Delivery. I am both honoured and privileged to serve the people of Ontario in this capacity.

I am excited to take on a portfolio that touches the lives of Ontarians in so many important ways — from providing vital documents and services, to protecting consumers, to bolstering cyber security and privacy.

I know the people and businesses of our great province are relying on the highest level of customer service from my ministry as we provide convenient, reliable and accessible services that are available when and where they need them.

I look forward to working with organizations like ACEC-Ontario as our government continues to provide better, faster and simpler services for all Ontarians.

Thank you once again, Mr. Hurd, for your thoughtful wishes.

Sincerely,
