Who is ACEC-Ontario?

ACEC-Ontario's mission is to promote and advance the business interests of our member companies and the value of the engineering work they do. Our 140 member companies engage with us because their success is enabled by our leadership in policy advocacy and risk management. We provide our member companies with access to key knowledge-sharing networks and relevant support services.

**There is ample
opportunity
for connecting
to your target
audience.**

Why Become an ACEC-Ontario Ally?

ACEC-Ontario member companies play an integral part in planning, designing, constructing and maintaining Ontario's communities. With more than 140 member companies with a collective total of over 25,000 employees. Our engaged audience are the senior decision makers from engineering firms. With this in mind there is ample opportunity for marketing to your target audience through the Ally Program.

If you provide products or services to engineering consulting firms or their clients, this is a unique opportunity to align your brand with ACEC-Ontario and to build relationships with decision-makers and influencers on a year-round basis.

Consulting engineers make or influence buying decisions across a wide range of products and services, such as:

- Contractor selection
- Field equipment supplies
- Building envelope and construction materials
- Geo-tech services
- Legal services
- Audit Services (Project, Quality Control)
- Laboratory and testing services
- Insurance
- Instrumentation
- Pipe and appurtenance supplies
