

VOLUNTEER SPOTLIGHT

Scott Weisenberg

YOUR DAY JOB

I am a Engineering Intern at Robinson Consultants Inc.

WORK WITH ACEC-ONTARIO

I have been a member of ACEC-Ontario's Future Leaders Network (FLN) Since 2023. I will also be the chair of set committee starting March 2024.

ADVICE

I would encourage those looking to volunteer to be open minded and willing to support wherever possible. It is also important to remember that any time you can give is appreciated by your peers who are working towards goals together.

WHAT BROUGHT YOU TO VOLUNTEER?

As a young professional, I was interested in finding a way to get involved with the engineering community and discovered the opportunity to work with the Future Leaders Network through likeminded colleagues.

EXPERIENCED GAINED

Through my experience with the Future Leaders Network I have gained a further appreciation for the Engineering Consulting field and the work that goes on behind the scenes at ACEC-Ontario to support their member organizations. I have had limited time with the group so far but it is also evident that the individuals involved are a committed group and will be fantastic professional connections.

GO-TO ACTIVITY

Maybe not the most unique for a Canadian, but getting out and playing hockey with friends and family is my go-to for a good mental break.

RELAX - WHAT'S YOUR FAVOURITE TRAVEL DESTINATION?

As a lover of pizza and pasta, I adored traveling through Italy last year but would warn future travelers to keep an eye out for the jellyfish!
